

Greetings from Palestine

Subject: Invitation to International Summer Camp in Palestine

We are pleased to invite you and your associates to our international voluntary workcamp "United for Empowerment" from the 14th until the 28th of June 2010. This project has been designed to give you the opportunity to meet with other people from around the world to share ideas, enhance practical skills, foster relationships, and give assistance to the children and youth of the Palestinian community.

The international summer camp will bring together people from around the world who are interested in helping create a better world. We are targeting people who are interested in youth development, the right to education, and humanitarian issues. Palestine is a challenging but highly rewarding environment to work in. We strongly encourage highly motivated and serious men and women to apply.
